## SUMMARY

I'm a skilled frontend developer with 2 years of experience, creating user-friendly, responsive web apps. I'm driven by a passion for clean, efficient interfaces, keeping up with the latest tech, and working collaboratively to deliver engaging user experiences.

## TECH STACK

HTML, Figma, CSS, Tailwind CSS, JavaScript, Typescript, React, and Next.

## EXPERIENCE

### Startup Hive, Lagos State, Nigeria (Remote) - *Frontend Developer*

January 2024 - Present

- Translating UI/UX designs into actual codes using Next.js, Tailwind CSS, Typescript, and Shadcn UI
- Collaborated with full-stack developers, specialising in frontend development, database management, and testing.
- Contributing to software applications by designing user interfaces, implementing server-side logic.

### Sabi Programmers, Ondo State, Nigeria - *Frontend Developer*

July 2023 - December 2023

- Translated UI/UX designs into actual codes using HTML, CSS, Tailwind CSS, JavaScript, and React.
- Built reusable codes and functional systems.
- Building the client's side of the web application.
- Collaborated with Product Designers, Backend Developers, and Project Managers to improve user experience.
- Working closely with backend developers to integrate front-end components with server-side logic.

## **Onract Limited, Manchester, England, United Kingdom (Remote) - UI/UX Designer**

December 2022- December 2023

- Gathered and evaluated user requirements in collaboration with product managers and engineers.
- Developed UI mockups and prototypes that clearly illustrate how sites function and look like.
- Adhered to style standards on fonts, colours and images.

## **Stutern, Lagos, Nigeria (Remote) - Frontend Developer Intern**

June 2022 - July 2023

- Using HTML, CSS, Javascript and React to create user-friendly web pages.
- Maintained and improved websites.
- Worked on a mini project and also collaborated with different learning tracks( UI/UX designers and Back-end developers) to build Citrone redesign project.

## **Zuri Inc-Ingressive for Good, Africa. (Remote) - Product Designer Intern**

March 2022 - May 2022

- Designed a Mobile Management system for task management
- Conducted User Research on Logistics Industry
- Team collaboration on the designing authentication codes Library
