# OLUWABUKOLA AJIKE FASAN

## FRONTEND DEVELOPER

Royal Garden Estate, Ajah,  
Lagos State, Nigeria.  
08080110323  
oluwabukola.fasan@gmail.com

### SUMMARY

I'm a skilled frontend developer, creating user-friendly, responsive web apps. I'm driven by a passion for clean, efficient interfaces, keeping up with the latest tech, ensuring our development follows agile principles and working collaboratively to deliver engaging user experiences.

### EXPERIENCE

#### **Startup Hive, Lagos State, Nigeria (Remote) - Frontend Developer**

January 2024 - Present

- Transformed UI/UX designs into dynamic code using Next.js, Tailwind CSS, Typescript, and Shadcn UI, crafting visually appealing and responsive interfaces.
- Led the optimization of frontend performance, using best practices to enhance page load times
- Collaborated with full-stack developers, specialising in frontend development, database management, and testing.

#### **Sabi Programmers, Ondo State, Nigeria - Frontend Developer**

July 2023 - December 2023

- Independently executed UI/UX designs into actual codes using HTML, Tailwind, JavaScript, and React.
- Engineered reusable code components and robust systems, optimizing efficiency and scalability.
- Played a critical role in crafting web app frontends for seamless user interaction.
- Collaborated with product designers, backend developers and project managers.

### EDUCATION

#### **Federal University Oye- Ekiti, Ekiti State - B.Sc in Computer Science**

November 2015 - January 2020

Second Class Upper Division- 4.39/5.0

### TECH STACK

HTML, CSS, Tailwind CSS, JavaScript, Typescript, React, Next, Jest, Bootstrap, Appwrite, PHP, Kotlin

### TOOLS

Figma, Vscode, Git, Github, Zoho, Microsoft Team, Android Studio

### LINKS

[Github](#) [Twitter](#) [Portfolio](#)

### OTHER INTEREST

Node.js, Java, Mysql

**Onract Limited, Manchester, England, United Kingdom (Remote) - UI/UX Designer**

December 2022- December 2023

- Developed intuitive UI mockups and prototypes effectively communicated the functionality and visual aspects of websites.
- Collaborated closely with development teams to ensure the successful implementation of design concepts, providing ongoing support and guidance throughout the project lifecycle.
- Maintained and updated design documentation, including style guides and design specifications, to ensure consistency and alignment with project goals.

**Stutern, Lagos, Nigeria (Remote) - Frontend Developer Intern**

June 2022 - July 2023

- Implemented six new user-facing features utilising technologies such as React, Redux, Tailwind, and Sass, enhancing website functionality and user experience.
- Conducted regular maintenance and enhancements on websites, ensuring optimal performance and usability.
- Contributed to a mini project and collaborated with cross-functional teams, including UI/UX designers and backend developers, on the Citrone redesign fostering teamwork and innovation.

**Zuri Inc-Ingressive for Good, Africa. (Remote) - Product Designer Intern**

March 2022 - May 2022

- Designed a mobile management system for efficient task organisation, addressing logistical challenges within the industry.
- Conducted comprehensive user research in the logistics sector, informing design decisions and enhancing user experiences.
- Collaborated with a team to develop an authentication codes library, contributing to secure access protocols for digital platforms.

**Rapidlink technologies, Ekiti State (Remote)- Web Developer**

January 2021 - August 2021

- Led the conceptualization and execution of innovative web solutions, aligning with project requirements and client needs.
- Developed and deployed projects using HTML,CSS, and Javascript.
- Stayed updated on emerging web technologie and industry trends, incorporating best practices to enhance project outcomes .

**CERTIFICATION**

**Software Development (Front-end Development)**

Stutern, Lagos State.

2022-2023

**React Basics**

Meta, Coursera

2023

**Mobile App Development**

Women Techsters Program, Tech4Dev, Lagos State.

2022-2023

**Introduction to Android Mobile Application Development**

Meta, Coursera

2022

**Certificate of Completion (Product Design)**

Zuri Inc., Lagos State.

2022

**Certificate in Introduction to UI/UX**

Geneza School of design, Lagos State.

2022
